Dear Mrs. Harlan:

Re: Proposed "Annexation District
No. 135" to the City of Compton

At the meeting held March 1, 1961, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer, Don W. Robins, with his letter of February 10, 1961, of the proposed annexation of territory to the City of Compton.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership, upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.
